In case of need

What does the asylum procedure counseling offer?

Explanation of asylum procedures and options under residency law

Specific, legal review of individual cases

Preparation for and support during hearings

Information about rights and obligations in the procedure (according to the Legal Services Act, RDG).

Identification of special protection needs (e.g., for queer asylum seekers)

If necessary, referral to other counseling centers

For whom?

People who want to file an asylum application

People who are already in the asylum process

People who are in the legal action process or Dublin procedure

People who are submitting second or subsequent applications or seeking revocation or withdrawal procedures
